Pawprints

LEFT BY YOU...

You no longer greet me, As I walk through the door.
You're not there to make me smile, To make me laugh anymore.
Life seems quiet without you, You were far more than a pet.
You were a family member, a friend,
...a loving soul I'll never forget.
It will take time to heal – For the silence to go away.
I still listen for you, And miss you every day.
You were such a great companion, Constant, loyal and true.
My heart will always wear,
the pawprints left by you.
