

# Working with Jane and Michelich Granite

*"I highly recommend Michelich Granite. Not only do they take great care in creating a memorial that you will be proud of, but they take care with your heart while they do it. Picking out a memorial seemed overwhelming and painful. With the help of the great staff at Michelich Granite I felt nothing less than supported in love, patience and kindness the entire way. It is important that you deal with people who have a kind and gentle nature. Thank you, Jane, and the entire Michelich staff who have worked hard to create a beautiful memorial. You have made a lasting impression on my heart."* -Jahanna

*"Jane Kalthoff was a God send; she walked me through the entire process of picking out a memorial. She was extremely patient and thoughtful during this difficult time. We will never be able to thank her enough for not only her hard work and attention to detail, but also her kind words and emotional support throughout. Thank you so much Jane for creating a memorial that our family can be incredibly proud of. We could not have gotten through this hardship without you!"* - Madi

*"Jane's personal communication skill and responsiveness are outstanding! We are thankful and appreciative for her prompt, caring and professional customer service and responding to our needs. Jane always made me feel like we were her number 1 priority. Very outstanding job too by the rest of the staff that made the monument happen "* -Louise
